Median			28.5x	3.3x	25.6x	12.6x	3.0x
Market Multiples (Tadawul)			16.1x	2.6x			

- Significant multiple expansion from 12.6x median P/E multiple at Nomu listing, to 28.5x on listing at Tadawul.
- Saudi Parallel Market (Nomu) has provided strong growth platform to SMEs to propel the companies to next stage of evolution evident by the fact that the transitioned companies are trading above Tadawul P/E multiples (16.1x vs 28.5x), as well as the P/B multiples (2.6x vs 3.3x).
- Nomu companies were offered at a median P/E of 15.7x, while the 15 transitioned companies have a current P/E median of 28.5x on Tadawul.

Section 3

Key Listing Benefits, Requirements and Timeline

Key Benefits of Listing in Nomu Market

Alternative & Easy Platform for SME

It provides alternative platform for companies to go public with lower requirements

It is attractive for small and medium companies as it has lower market capitalization and less stringent requirements

Increase in Capital & Maintain Control

Raise capital in an easy and cost effective way

It has lower floatation requirement as compared to the main market where management can retain more control

Corporatization

Enhances corporatization and improves the Company's internal capabilities

Easy Access to Investors

Easily attract investors and PE investments seeking SME investments as the Nomu market provides clear exit

Can provide higher returns and unlock additional value due to high market valuations and high liquidity

Transition to Main Market

After completing 2 years since listing on Nomu - Parallel Market a Company can transition to Main Market if its minimum average market cap. for the last six months is SAR 200 million and has at least 200 public shareholders

Key Listing & Offering Requirements in Nomu – Parallel Market

Company	The issuer must be a joint stock company.
Market Capitalization	Minimum market cap of SAR 10 million.
Free Float %	The issuer must float at least 20% of the issued shares at the time of listing, or SAR 30 million worth of shares in the market.
Operational & Financial Performance	- Minimum 1 year of operational and financial performance. - No profitability track record required.
Advisors	Appointing a financial advisor is mandatory, legal advisor is optional.
Financial Statements	- Annual audited financial statements. - Semi-annual reviewed financial statements.
Disclosures	Disclosure of significant/essential information.
Lock-up Period	100% of pre-offering investor shares for one year.
Minimum Shareholders	At least 50 public shareholders are required at the time of listing.

Source: www.tadawul.com.sa

Listing Requirements - Nomu vs Tadawul Main Market

Nomu market provides easier and quicker access with potential to achieve higher trading multiples by transitioning to Tadawul

Listing requirements – Tadawul vs Nomu

SAR 300 million	At least 30%	At least 200	Standard disclosure requirements	Minimum 3 year of operational and financial performance
Minimum Market Cap	% Offered	Public shareholders	Continuous Obligations	Track Record
SAR 10 million	Direct Listing or at least 20% or shares equiv. to SAR 30 million, whichever is less	At least 50	Lesser financial disclosure requirements	Minimum 1 year of operational and financial performance
Tadawul	Nomu			

Summary of key listing requirements on Nomu

- The issuer must be a joint stock company with a minimum market cap of SAR 10 million
- The issuer can directly list or float 20% of the issued shares or shares equivalent to SAR 30 million, whichever is less
- Minimum 1 year of operational and financial performance
- No profitability track record required
- Annual & semi-annual audited financial statements required
- Lock-in period of 1 year for 100% of pre-offering shares
- At least 50 public shareholders are required at listing

Relatively less stringent administrative process as compared to Tadawul results in reduction in time frame (4-6 months) to list the company on Nomu

Section 4
